

Emergency Measures Regarding Hamamatsu City Designated Garbage Bags will Continue

英語

Thank you for your understanding and cooperation with the emergency measures regarding the low stock of "Hamamatsu City Designated Garbage Bags (City Designated Garbage Bags)".

The emergency measures regarding City Designated Garbage Bags were scheduled to end on Tuesday, June 30, 2026. However, because some stores continue to be out of stock or low on stock, the emergency measures will continue until Wednesday, September 30, 2026. If you are unable to obtain City Designated Garbage Bags and have no other option, your garbage will still be collected even if you put it out in transparent or semi-transparent garbage bags.

To ensure that garbage bags are available to all residents, we ask for your continued understanding and cooperation in refraining from excessive purchases. We also ask for your cooperation in reducing garbage in order to conserve garbage bags.

Until Wednesday, September 30, 2026, the emergency measures regarding city designated garbage bags will continue.

※During the above period, only if you are unable to obtain "City Designated Garbage Bags" and have no other option, you may put out your garbage using "transparent or semi-transparent garbage bags".

※Please continue to refrain from purchasing more "City Designated Garbage Bags", etc. than necessary.

Hamamatsu City collects various recyclable resources, such as used paper and used clothing, free of charge. To help conserve garbage bags, we ask for your cooperation in sorting recyclable resources.

★Go! 404 Challenge for All

Hamamatsu City aims to reduce household garbage to 404g per person per day by FY2028.

★Collection of Used Small Home Appliances

Hamamatsu City collects used small home appliances through collection boxes installed at city facilities. Please check the city website for the locations of facilities with collection boxes and the items eligible for collection.

★Recycling of Wooden Furniture

Hamamatsu City collects unwanted wooden furniture from households and recycles it into wood chips. Since reservations are required, please check the city website.

★Recyclable Resource

Collection Site Map (GoogleMap)

You can use the map to check Hamamatsu City facilities and private facilities that collect recyclable resources, as well as the items collected at each facility.

★Green Recycling

Hamamatsu City collects fallen leaves, grass clippings, and branches from households at 10 locations in the city. Please check the city website for collection sites, collection days, drop-off rules, and other details.

★PASSTO Collection Boxes

Collection boxes for the reuse of clothing and miscellaneous goods are installed at Hamamatsu City Hall and the Kamoe Branch Office. Please check the city website for eligible items and other details.

For the safety of collection workers and the stable operation of waste treatment facilities, please follow the garbage disposal rules.
