Application for Enrollment in the Public After-School Program for New Elementary School Students in the 2027 Academic Year

< 令和9年度新入学児童 公設放課後児童会の入会申し込み >

We will notify you during the health checkup for newly enrolled students. Even if you plan to have your child's health checkup at someplace else other than the elementary school you intend to enroll your child in, enrollment procedures will be conducted at the after-school program of the elementary school you intend to enroll your child in. Please contact the after-school program of the elementary school you intend to enroll your child in for further details.

※If your child is not a newly enrolled student and wishes to join starting in April 2027, please directly contact the after-school program of the elementary school your child is currently attending.
